

REACH Compliance Declaration for Duelco-branded safety products

Confirmation of Compliance with REACH Regulation (EC) No 1907/2006

Duelco A/S hereby confirm the obligations imposed by the REACH Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals. We have exercised due diligence in evaluating its effects on our operations and deliveries from Duelco A/S.

We confirm all of our Duelco-branded safety products to be compliant with REACH Regulations. Specifically, we confirm the following:

None of the substances included in the Candidate List of Substances of Very High Concern (SVHC) for Authorization published by the European Chemicals Agency (ECHA) are present in our products above the threshold limits specified in the REACH Regulation.

We have undertaken all necessary registrations for substances used in our products that require registration under the REACH Regulation.

We comply with any applicable restrictions and/or authorizations under REACH for substances used in our products.
